# Health Labs and Equipment

**Dental Hygiene Classroom** ..... \$50,750  
Equipment needed: Classroom furniture to accommodate 25 students

**Dental Hygiene Clinic** ..... \$33,400  
Equipment needed: 10 Ultrasonic units, six cordless curing lights, three intra-oral cameras and 10 #3 RDH slow speed handpieces

**Dental Hygiene Lab** ..... \$2,325  
Equipment needed: One document camera and accessory light box

**Dental Hygiene Total** ..... **\$86,475**

**Emergency Fire Services Lab** ..... \$30,968  
Equipment needed: 10 full sets of personal protective gear, 10 Scott 2.2 SCBA, two Groves ready racks and a gas-powered circular saw

**Emergency Medical Services Lab** ..... \$16,500  
Equipment needed: Mega Code Kelly and Advanced MedTronics LP 12

**Emergency Services Total** ..... **\$47,468**

**Health Information Lab** ..... \$62,200  
Equipment needed: 25 PCs, two laser printers, flat bed scanner, bar coding reading and printing equipment, LCD projector and screen, 24 student workstations/chairs, equipment work table, digital camera and literature display

**Medical Assisting Computer Lab** ..... \$41,393  
Equipment needed: 25 computers, two laser printers, ceiling-mounted projector and screen, 24 student workstations, instructor desk/computer workstation and filing cabinets

**Medical Transcription Lab** ..... \$57,930  
Equipment needed: 25 PCs, two laser printers, four USB foot pedals, ceiling-mounted projector and screen, 24 student workstations, one instructor workstation and one literature display

**Health Information, Medical Assisting and Medical Transcription Total** ..... **\$161,523**

**Massage Therapy Clinic** ..... \$19,180  
Equipment needed: 20 replacement portable massage therapy tables, overhead projector and laptop computer, one replacement skeleton, printer, eight waiting room chairs and one office desk

**Massage Therapy Lab** ..... \$4,500  
Equipment needed: Overhead projector

**Massage Therapy Total** ..... **\$23,680**

**Medical Assisting Clinical Lab** ..... \$45,630  
Equipment needed: Ishihara color blindness charts, wall-mounted Welch Allen diagnostic eye and ear sets, laser printer, document camera, weight scale, six work units with sinks, cubical track with curtains, eight science tables, three three-channel electrocardiographs, two exam tables and exam lights, six rolling footstools, six three-tiered rotating organizers, four reception chairs, refrigerator, free-standing prep area, lab stools, and instructor desk/computer workstation

**Medical Assisting Lab Total** ..... **\$45,630**

**Medical Laboratory Lecture and Lab Area** ..... \$170,650  
Equipment needed: Microbiology incubator, chemical fume hood, microbiology safety hood, five eye wash stations, safety/fire blanket, water deionizer, three chemical safety storage cabinets, ceiling-mounted projector and screen, freezer for biologic specimen and reagent storage, venipuncture chair for phlebotomy procedure, instructor lab station, prep/lab stations with counter space for 20 students, counter space for analyzers and centrifuges, document viewer with software for video capture and recording, lockers for 40 students, dedicated clean sink with foot pedal control, instructor and student computer stations

**Medical Laboratory Total** ..... **\$170,650**

**Nursing – First Level Lab** ..... \$20,345  
Equipment needed: Medical cart with bar coding, mobile treatment cart, document imaging split screen, IV pump – Baxter colleague mono infusion pump, doppler, life form auscultation training and smart sample, bed cart, physician digital scale, female and male catheterization simulator, and surgical sink and scrub area

**Nursing – Second Level Lab** ..... \$26,835  
Equipment needed: Critical care station with monitor and external pacer, two life form stump bandaging simulators, and wall simulator for suction and oxygen equipment

**Nursing Total** ..... **\$47,180**

**Occupational Therapy Lab** ..... \$17,074  
Equipment needed: Fluidotherapy, phoresor, physical agents modalities, EMS 2000 stimulator, locking storage cabinet, Midland space-saver mat platform

**Physical Therapist Assistant Lab** ..... \$58,000  
Equipment needed: Treadmill, stationary bike, stair climber, weight rack, Hi/lo mat table and treatment table, mobile traction unit, two iontophoresis units, hand-held UV lamp, recumbent stepper, hospital bed table, anodyne therapeutic laser, shortwave diathermy/magnatherm, shuttle MVP, and four biofeedback units

**Occupational and Physical Therapy Total** ..... **\$75,074**

**Respiratory Care Lab** ..... 241,359  
Equipment needed: two transport carts, Wick humidifier, Concha therm-heated humidifier, two air compressors, pulmo-aide portable air compressor, pulse oximeter, Wright respirometer with spiro guard, transcutaneous monitor, electronic digital respirometer, posey cufflator, two ultrasonic nebulizers, three PCs, mechanical ventilator, cubicle track curtains, three electric hospital beds, three bedside cabinets, 16 chairs with wheels, Dräger Babylog ventilator, portable spirometer, BiPAP vision unit, life form CRISIS Deluxe Plus manikin adult and infant, two airway management trainers, two oxygen analyzers, GB Vibracare hand-held percussor for adults, one Siemens Servo 300 ventilator unit, one defibrillator, TV ECG arrhythmia display interface, arrhythmia TUTOR, ADI PDA STAT manikin, and life form auscultation trainer/smart scope/amplifier system

**Respiratory Care Total** ..... **\$241,359**

**Health Technologies Grand Total** ..... **\$899,039**
