How Do I Register for Classes?

This help aid shows students how to register for classes online through the mystarkstate portal.

Login to mystarkstate. Click on the My Stuff tab (reference figure 1).

Go to the Registration Tools channel and click on the Register for Classes (Add/Drop Classes) link (reference figure 2).

Select the term you want to register for in the drop down box and click the Submit button (reference figure 3).

1. Type the Course Resource Number (CRN) selections you wish to register for in the CRN boxes (reference figure 4).

2. Click on the Submit Changes button. One or more CRN numbers may be entered before clicking on the Submit Changes button. After clicking on the Submit Changes button, the classes show in the current schedule.
3. You must have the (CRN) of the course to be able to register. If you do not know the CRN of a course, you may click on the **Class Search** button to search for available classes, and to obtain the CRN for a course.

This completes this process.

Additional methods may be used to look up classes and register for classes. See the *How Do I View Available Semester Classes* help aid for additional information.

*Please note that if you are a first time student, you will not be able to register on the mystarkstate portal until you have met with an Admissions Counselor or completed the Online Advising. You may contact the Admissions Office at (330) 494-6170 Ext. 4228 to set up an appointment.*
