

TITLE IV CREDIT BALANCE AUTHORIZATION
2024-2025

STUDENT NAME _____ SSC STUDENT ID # _____

Federal law allows you to tell Stark State College how to use your Title IV credit balance. A Title IV credit balance exists when all institutional charges have been paid, and excess financial aid funds are on the account.

1. Your Federal financial aid funds will automatically be applied toward paying institutional charges such as: processing fee, instructional fees, general fees, instant access and lab fees. The law allows you to authorize Stark State College to use your financial aid funds to cover other allowable charges which include but are not limited to: parking fees and fines, locker fees and bookstore charges

For Stark State College to perform any of these activities, you must complete the following item:

1. Allowable charges:

_____ **I Authorize** Stark State College to use my Federal Financial Aid funds to cover all allowable fees and charges including but are not limited to: parking fees and fines, locker fees and bookstore charges.

_____ **I Limit** State College to use my Federal Financial Aid funds to cover ONLY institutional charges. (Processing fee, instructional fees, general fees, instant access and lab fees). I understand I will be responsible for paying any charges I incur that are not covered by my financial aid.

My signature on this form indicates I have read and understand the information.
