**Comments:** Curriculum at Stark State College will satisfy Ohio Board of Nursing requirements and the states listed above. Additionally, there are other requirements to sit for licensure such as BCI and FBI background check and fees. Professional licensure requirements vary from state-to-state. Stark State College cannot guarantee that graduates of the nursing program meet the criteria for all boards of nursing. Nursing students from outside the state of Ohio should contact the nursing board in their primary state of residence to understand regulations prior to enrolling in Stark State College's program.
