**Comments:** Curriculum at Stark State College will satisfy state requirements. Additionally, there may be other requirements to sit for licensure/certification such as background checks, etc. Professional licensure requirements vary state-to-state. Stark State College cannot guarantee that graduates of the dental hygiene program meet the criteria for all dental boards. Dental hygiene students from outside the state of Ohio should contact the Board in their state in which they wish to gain employment prior to enrolling in Stark State College's program.
