**Comments:** Curriculum at Stark State College will satisfy certification requirements through the Ohio

Department of Public Safety and National Registry of EMT's. Additionally, there may be other requirements to sit for certification such as background checks, etc. Stark State College cannot guarantee that graduates of the Emergency Medical Services program meet the criteria for all state certifying agencies. The National Registry of Emergency Medical Technicians (NREMT) does confer reciprocity with some states, but the requirements of such agreements vary by state. Any student seeking certification in other states must check with those state's certifying agency for specific requirements.
