

## **CERTIFIED NURSE AIDE**

Stark State College State Certified Nurse Aide (CNA) course offers classes on the Main Campus in North Canton, as well as the Akron Perkins Campus. The course consists of classroom, practice lab, and clinical hours. Day and evening classes are available.

The course is approved by the Ohio Department of Health and the Ohio Department of Higher Education. Students are taught by nurses who have successfully completed the Ohio Department of Health's Train the Trainer program and have many years of experience in education.
